HEATH VANNATTER ANNOUNCES BUSINESS COMMUNITY SUPPORT FOR HIS ELECTION TO THE STATE HOUSE

Heath VanNatter, candidate for House District 38, announced today that a group of business associations that represent many employers in House District 38 have endorsed his campaign to serve the residents of Howard, Clinton, Boone, and Hamilton counties. Included in the listing, also posted at www.vannatterforstaterep.com were the Associated Builders and Contractors, Indiana Manufacturers Association, REALTOR® Political Action Committee, and the Indiana Chamber of Commerce.

“More people like Heath are needed in the state legislature who completely understand what it means to meet a payroll and run a business first hand. Heath would bring common sense reason to the actions of state government knowing how employees and employers are affected,” said J.R. Gaylor, President & CEO of the Associated Builders and Contractors of Indiana.

VanNatter said that he is honored and humbled to have the trust of Indiana’s leading business representatives, and will make sure that each vote he casts leads to a stronger economy for the residents and employers in his district.

“I have been knocking on doors and meeting with business leaders for over a year and hear the concern in voices of parents, employees, employers, and the members of these Associations. I will serve with honor and serve those voices,” said VanNatter.

"Having represented manufacturers and the jobs they create for 110 years in Indiana and House District 38, the Indiana Manufacturers Association finds Heath VanNatter to be among the best examples of a legislative candidate with the business experience we need to lead the recovery when he’s elected,” said Ed Roberts, Indiana Manufacturers Association.

The string of endorsements is another boost to VanNatter’s campaign effort, representing hundreds of voters in his district and the fact that he will head to Indianapolis with a strong relationship base.

“An economic recovery in Indiana cannot be fully realized without a housing recovery. Heath understands the critical importance of a healthy housing industry and we know he will fight without hesitation on behalf of homeowners. We’re confident in that and confident in his candidacy,” said Sally Johnson with the REALTOR® Political Action Committee.

"Heath VanNatter is a hard working pro-jobs growth, pro-economic development and pro-education reform candidate who is going to continue to earn the support of voters. We are proud to be a part of his team and look forward to helping him win his campaign for the Indiana House," said Michael Davis with the Indiana Chamber of Commerce.
